

Proudly serving the Village of Belmont, and Townships of Belmont, Elk Grove, Kendall, and Seymour since 1966. The Belmont Ambulance Service provides 9-1-1 based EMT-B level ambulance service to the Belmont Fire/Ambulance Protection District. We are committed to the community and support those activities that promote health, safety, and risk awareness in the community. We are proud to be able to work alongside the Belmont Fire Department in our commitment to the communities we serve.

We are a 100% Volunteer-Run Organization.

Recruiting

We are always recruiting and depend on volunteers like yourself to get people in the community the help when they need it most. If you ever thought about EMS and wondered if it was right for you, give it a shot.

- You can join our Ride-Along program and come along on calls and decide if being in EMS is something for you.
- We offer 100% paid tuition/books for EMS-related classes.
- You don't need to live in town to volunteer. We even have volunteers that live in neighboring towns.

Send us an email saying you're interest to learn more @ belmont207 [at] hotmail.com or stop by one of our meetings to say "Hello"!

Meetings

- We meet the first Monday of every month at 7:00 PM during Daylight Savings and at 6:30 PM when Daylight Savings ends at the Belmont Fire House.
- Stop by one of our meetings to say hello!
