

Belmont Mound State Park

Belmont Mound State Park is a day-use state park owned by the Wisconsin Department of Natural Resources and maintained by the Belmont Lions Club. The Belmont Lions Club has maintained this park for the past 50+ years. Attractions at the park include natural formations such as "The Devil's Dining Table," "The Devil's Chair," and "The Cave," all located on the north side of the park. This family-friendly park has recreational & ski trails, hiking trails; picnic area with grills, shelter area, restrooms and

lots of beautiful nature views to enjoy. In the Spring of 2024 new play equipment will be installed for all our area youth to enjoy!
